Mellow California Babymoon

by R.K.
(A Happy California Babymooner)

Mellow Mommy Babymoon at Timber Cove

My husband and I booked Mellow Mommy for a private babymoon two weekends ago. It was wonderful. Extremely relaxing!

The hotel was private and gorgeous and Cindy helped us relax easily by showing us tips for connecting with each other. We both received excellent massages from her the next day. Her openness and generosity made it a weekend to remember.

Mellow Mommy babymoon was a wonderful experience and is highly recommended!

Babymoon Guide Note:
