We invite you to add to your Timber Cove Inn experience!

Explore the grounds via our walking trails and take in the stunning beauty of this spectacular stretch of Sonoma coastline. Walk the bluff trails while sea birds wheel overhead and sea lions cavort on the rocks below. Climb a rocky knoll and share sweeping vistas with "The Bufano," world renowned artist Benny Bufano's homage to world peace. Follow the timeless movement of the sea and sun from Timber Cove Point. Enjoy the peace and serenity of the events lawn.

Come, make yourself at home and discover your own "special spot" in Timber Cove Inn's diverse and scenic grounds.
